

Netherton Infant and Nursery School

Pupil Premium Charter

- Ensure all teachers and support staff know who the PP and PP+ children are
- Use rigorous tracking and analysis of data to monitor progress and quickly identify early signs of underachievement
- Target effective interventions to support progress
- Involve governors and leaders in monitoring and evaluating PP work
- To provide a curriculum is designed to provide every pupil with a rich, powerful learning experience of knowledge and skills which can then continue to develop through their education, to help them develop into well rounded individuals who are ready to grow into members of society and contribute to their communities.
- Provide enrichment experiences term in order to broaden horizons and develop high aspirations
- To provide specialist support to aid the social, emotional and welfare of all children through well-being lessons, pastoral sessions and support from external providers
- To build positive home-school links with parents through an extensive range of opportunities which enable parents to support their child with their learning journey
- Provide opportunities to support family well-being within the community
- To offer financial support where possible to support learning for our most vulnerable children
