Latest News

Dear Parents/Carers,

Hope that this newsletter finds you well. I know that times are very challenging at the moment and we are all feeling disillusioned with the cost of living. Kirklees have put together a range of useful resources and advice on their website at: <https://www.kirklees.gov.uk/beta/cost-of-living/index.aspx>

Please do take the time to have a look.

As per the correspondence yesterday, we will keep you informed of any disruption to the school day due to the planned teacher's strikes announced on Monday.

Enjoy the rest of the news!

Operation Encompass

Each year, it's important that you are reminded of the work of Operation Encompass. Our school, like all others, is part of Operation Encompass. This is a police and education early intervention safeguarding partnership which supports children and young people who experience Domestic Abuse. Operation Encompass means that the Education Safeguarding Service will share information about Domestic Abuse incidents with our school PRIOR to the start of the next school day when the police have been called to a domestic incident. The Operation Encompass information is stored in line with all other confidential safeguarding and child protection information.

Responsible Parking

Kirklees Council came into school on Monday to present an assembly about responsible parking around school. They were very impressed with the children's knowledge of double yellow lines, zig-zags and not parking on pavements. Let's hope the children can teach the grown ups a little bit about parking and improve the situation around school at drop off and pick up times.

Parent Workshops

Thank you to those of you who responded to us with your workshop preferences for Northorpe Hall. The following were the most popular choices:

- Promoting and Developing Self-Esteem and Resilience
- ASC Awareness
- ADHD Awareness
- Back to School Support for Parents and Carers/Managing Change and Transition

I will be liaising with Northorpe Hall to arrange these parent workshops over the coming months – so please keep an eye out for further information about dates and times.

FONS – Friends of Netherton

Our next FONS meeting is on Monday 23rd January at 6pm in school – new members are most welcome and we will be discussing events for the year ahead. Come and join us!

Reading Bingo

We hope you've found your reading bingo card in your child's book bag and are enjoying this reading challenge, which will hopefully encourage more reading at home.
