Latest News

Dear Parents/Carers,

The hot weather has been a welcome change but difficult for us all in school and beyond – please remember to send your child with a hat, water bottle and with sunscreen already applied.

It was a pleasure to have new Reception parents in school yesterday for our welcome meetings. There were many familiar faces but also lots of new ones too. Mrs Lodge and Mrs Heap did a great job in letting parents and carers know about the roles and routines in school and what to expect come September. I'm sure the whole school community will make our new families feel special and very welcome in our school.

Please can I remind you to supervise children carefully at drop off and pickup times, with scooters put away promptly. Vaping and dogs should not be allowed on the playground and let's ensure we are good role models for our children by using kind, appropriate language and greeting our children with a smile, not a mobile phone.

Thank you for your support and enjoy the rest of the news.

Headteacher

Bless You Appeal

Thank you to the families in Class 5 that have already brought in boxes of tissues – there's still plenty of time to do so and with so much hay fever around, they are much needed!

Phonics Screening Check

We'd like to say a huge well done to our Year 1 children for participating in the phonics check this year – teachers were blown away by their progress. The results will go to parents along with the annual report in a few week's time.

In Deep

I hope some of you got chance to go to the In Deep exhibition to see the children's work. Here are a few pictures from the event.

Library Opening

It was a pleasure to welcome Persimmon Homes and Jason McCartney MP into school on Friday for the official opening of the library. Members of FONS team and the school councillors represented school in the event. The visitors were very impressed with all our lovely new books and Mr McCartney had time for a full tour of the school. He was delighted to see all the hard work that is going on at Netherton Infants and enjoyed meeting staff and children.
