Looking ahead...

We're beginning to look at the budgets for September and as with most schools, we are having to try to make savings wherever we can. At our FONS meeting on Monday, we brainstormed some ideas to help with everyday classroom consumables. One idea, that many high schools implement, is a one-off donation via ParentPay at the beginning of the year for resources. We'd like to know what you think of this idea or indeed any other ideas you can think of to help with our dwindling school budgets. Please email office@netherton.tlt.schools and let us know what you think!

Mrs Barker

Staffing announcement

With a heavy heart, I bring you the news that Mrs Heap will be leaving us at the end of the academic year. Mrs Heap has been with us for two years and has made a huge impact on our little school - both through her teaching in Reception and more recently in her role as SENDco. Mrs Heap will be going back to Brockholes, where she originally trained - so not too far! And as a school within our rural cluster, our paths will definitely cross again through moderation, subject leader meetings and cross-cluster projects. We wish her all the very best and will miss her so much. I hope you will join with us to say congratulations on her new post and when the time comes in July, wish her a fond farewell.

People Who Help Us

Next half term, Nursery will be doing a topic about 'People Who Help Us'. They would love to bring this topic to life with real people coming into school to talk to the children about their jobs. If you're a nurse, a firefighter or work in any sector that helps the community - why not get in touch and arrange to pop into school? Please either call 01484 661832 or email: office@netherton.tlt.school

Check your ParentPay

The office staff are urging everyone to check their ParentPay accounts for any outstanding payments - especially wraparound payments and Nursery lunches. Please ensure payments are settled before the end of term.

Open House

Our next open house event is on Wednesday 8th May from 3:30pm -4:30pm. This is a chance to pop into your child's/children's class and have a look at work, chat to the teacher, talk to your child about what is happening in school. This is always a lovely event to share what is happening in school with our families. We hope that you'll be able to make it!

Library Books

Please can we make sure library books are in school each week - these are the days we have our lovely library volunteers who chose and check out books with the pupils
Tuesday - Year 1 Friday - Nursery/Reception and Year 2

Just some of the exciting pictures we took during our chicks' visit.
