Pantomime fun - oh yes it was!

Last Thursday, we welcomed M&M Productions into school for their production of 'Cinderella'. KS1 enjoyed an hour and a half of pure traditional entertainment with this classic tale. The set, costumes, music and special effects were fabulous - but what impressed me the most was the children's reactions and participation in dancing and singing - it was a delight to see. Thank you to everyone that paid a voluntary donation towards the cost of this spectacular - without your help, we simply cannot budget for these events - there's still time to contribute on ParentPay.

Open House

It was great to welcome so many families into school last Wednesday for our Open House event. It's always nice to see the children chatting away about their work to parents and carers. The children are always so proud to show off their classrooms, displays and resources. Thank you to everyone that came along, we'll be having another similar event in the Spring term, so look out for details then.

Brightside Fund

As part of our fundraising in school, we set aside a small amount in our 'Brightside Fund'. This is to help out at Christmas time with presents and clothes for those that might need a little help. If you think you could do with a little help this Christmas, then please email the office at office@netherton.tlt.school - all requests will be dealt with sensitively.

INSET Day - Friday 24th November

Another reminder that we have our teacher training day this Friday - the 24th November - this is the same as South Crosland Junior School. School will be closed on this day.

Children In Need

Thank you to everyone that made a huge effort last Friday with spots, dots and Children in Need clothes - we all enjoyed learning about the work of the charity, working out with Joe Wicks and raising money at the same time - well done all!

Anti-bullying Week

Last week, we focused on anti-bullying and showcased our anti-bullying short film. Created by the media team at Together Learning Trust - the short film about 'Making a Noise about Bullying' featured our school council and children. You can watch the video by clicking the picture here:
